

FinTechStage

FinTechStage,
the ultimate FinTech
conference

What is FinTechStage?

THE MOST RELEVANT, HYPER-CONNECTED, ENTERTAINING, TECH-SAVVY AND INSPIRING FINTECH EVENT

FinTechStage is a conference with an unconventional format that brings together a unique network of innovators obsessed with driving entrepreneurship and investment in FinTech.

The goal is to connect three communities: FinTech startups, investors, and financial institutions and to deliver content and networking specifically designed to their needs.

FINTECHSTAGE
FOUNDERS

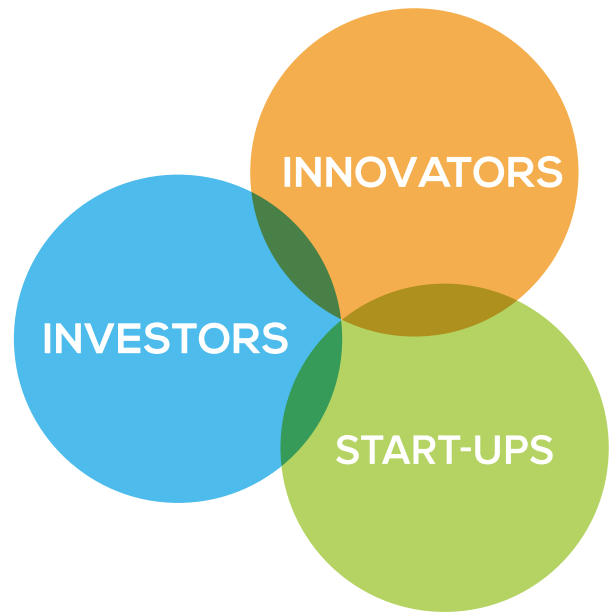

MATTEO RIZZI

LÁZARO CAMPOS

Format

Two-day event: Day 1 consisting of a Start-Up Investor Lab and invitation-only meetings, and Day 2 of a plenary session, highly designed and tailored networking, structuring the interaction among invited attendees, mixing the local and international FinTech communities.
